Summary (as of May 6, 2020)

Made in America Water Infrastructure Act of 2020

This bill revises requirements for drinking water state revolving funds (SRFs). Specifically, the bill permanently extends a requirement that projects financed through SRFs for public water systems only use iron and steel products that are produced in the United States, unless the Environmental Protection Agency grants a waiver from the requirement.

Actions Timeline

- **May 6, 2020:** Introduced in Senate
