## Summary (as of Jul 23, 2019)

### Even Playing Field Act

This bill addresses pay equity for amateur athletes and other personnel. It permits a national governing body of an amateur sports organization eligible to be recognized, or to continue to be recognized, only if it provides equal investment, working conditions, and wages and other compensation to all amateur athletes, without discrimination based on sex.

National governing bodies must report periodically to Congress regarding pay equity.

Each report shall include (1) the median compensation for amateur athletes, coaches, trainers, managers, administrators, and officials, disaggregated by race, gender, and employment category; and (2) the minimum and maximum compensation paid to such personnel, disaggregated by race, gender, and employment category.
