

## SRES 411

A resolution affirming that States maintain primacy for the regulation of hydraulic fracturing for oil and natural gas production on State and private lands, that the President has no authority to declare a moratorium on the use of hydraulic fracturing on State and private lands, and that the President should not attempt to declare a moratorium on the use of hydraulic fracturing on Federal lands (including the Outer Continental Shelf) or lands held in trust for an Indian Tribe, unless the moratorium is authorized by an Act of Congress.
