Protecting Nonprofits from Catastrophic Cash Flow Strain Act of 2020

This bill permits certain governmental entities, federally recognized tribes, and nonprofit organizations to make up front payments of 50% of unemployment benefits into the state Unemployment Trust Fund (in lieu of contributions) to be used exclusively to reduce such payments resulting from the COVID-19 (i.e., coronavirus disease 2019) pandemic.

Currently, the Department of Labor has issued guidance on April 27, 2020 (UIPL 18-20), requiring states to collect 100% of such payments up front and then reimburse them by 50% later.

In addition, the bill allows states to opt to issue such reimbursements or to reduce the amounts required to be paid for weeks of unemployment after March 12, 2020, and before enactment of this bill.
