## **Acadia National Park Boundary Clarification Act**

This bill declares that the boundary of Acadia National Park in Maine is confirmed to include approximately 1,441 acres of land and interests in the Schoodic Peninsula.

The bill ratifies and approves

- the acquisition by the United States of such land and interests, effective as of September 26, 2013; and
- any alteration of such land or interests held or claimed by the United States that occurred after such date.

The Department of the Interior may make certain technical and limited revisions to the permanent boundaries of the park.

Interior shall reestablish and appoint members to the Acadia National Park Advisory Commission.

Certain land in the park that was conveyed by Interior to the town of Tremont, Maine, shall no longer be used exclusively for school purposes, but for public purposes, subject to specified conditions.

Interior shall allow for the traditional taking of marine species, marine worms, and shellfish on land within the park between the mean high watermark and the mean low watermark in accordance with the laws of the State of Maine.

Interior shall convey to the town of Bar Harbor a specified parcel of land within the park to be used for a solid waste transfer facility.
