Summary (as of Jul 24, 2019)

This resolution expresses the sense of the House of Representatives that only a two-state solution to the Israeli-Palestinian conflict can ensure Israel's survival as a secure Jewish and democratic state and fulfill the legitimate aspirations for a Palestinian state. It also expresses the sense that any U.S. proposal to achieve a just, stable, and lasting solution should expressly endorse a two-state solution and discourage steps that would put a peaceful resolution further out of reach.
