## **Data Mapping to Save Moms' Lives Act**

This bill directs the Federal Communications Commission (FCC) to include data on certain maternal health outcomes in its broadband health mapping tool (an online platform that allows users to visualize, overlay, and analyze broadband and health data at national, state, and county levels).

The FCC must consult with the Centers for Disease Control and Prevention to determine which maternal health outcomes should be incorporated.

## **Actions Timeline**

---

- **Jan 16, 2020:** Introduced in House
- **Jan 16, 2020:** Referred to the House Committee on Energy and Commerce.
