Transportation Funding Accountability and Transparency Act

This bill directs the Department of Transportation (DOT) to establish and maintain on a public website a fixed guideway capital investment grant program dashboard.

The website must contain project-specific pages, including

- a comprehensive tracker of the status of the project in the approval process;
- a letter of no prejudice tracker that includes the review process by which DOT grants such a letter and an up-to-date status of such review;
- the date on which a full funding grant agreement is executed;
- the status of the project sponsor in securing the required non-federal cost share, based on information provided by the project sponsor; and
- a comprehensive tracker of the environmental review process for the project.
