Report and Educate About Campus Hazing Act or the REACH Act

This bill addresses hazing incidents that involve students attending an institution of higher education (IHE). Hazing means an intentional, knowing, or reckless act committed by a student, or a former student, of an IHE against another student, that (1) is connected with an initiation into, an affiliation with, or the maintenance of membership in, an organization that is affiliated with the IHE; and (2) contributes to a substantial risk of physical injury, mental harm, or degradation or causes physical injury, mental harm or personal degradation.

Specifically, an IHE must disclose hazing incidents that were reported to campus security authorities or local police agencies in its annual security report.

In addition, each IHE must provide students with an educational program on hazing that includes information on hazing awareness, hazing prevention, and the IHE's policies on hazing.
