Summary (as of Sep 23, 2020)

Women's Public Health and Safety Act

This bill allows a state to exclude from participation in the state's Medicaid program a provider that performs an abortion, unless (1) the pregnancy is the result of rape or incest, or (2) the woman suffers from a physical issue that would place her in danger of death unless an abortion is performed. (Under current law, a state plan for medical assistance must provide that any individual eligible for medical assistance may obtain required services from any provider qualified to perform them.)
