Summary (as of Dec 10, 2020)

This bill requires state, territorial, and tribal health departments to report weekly to the Centers for Disease Control and Prevention on the surge capacity and availability of personal protective equipment for hospitals in their jurisdictions to respond to increased COVID-19 cases. It also requires hospitals, as a condition of receiving COVID-19 funding, to provide specified data to their respective health departments every two weeks and post online their COVID-19 testing, infection control, and related policies.

Actions Timeline

• **Dec 10, 2020:** Introduced in House

• **Dec 10, 2020:** Referred to the House Committee on Energy and Commerce
