Helping Gig Economy Workers Act of 2021

This bill temporarily permits digital marketplace companies (e.g., Lyft, DoorDash, Airbnb, etc.) to provide benefits to workers during the COVID-19 (i.e., coronavirus disease 2019) pandemic without such actions establishing those workers as employees or independent contractors or establishing the company as a joint employer under federal, state, or local laws.

This bill applies to digital marketplace companies that provide, among other things, financial assistance, health benefits, training, health checks and personal protective equipment to individuals working through such marketplaces during the period beginning on March 15, 2020, and ending on the later of December 31, 2021, or the expiration of the COVID-19 public health emergency.
