Summary (as of Apr 12, 2021)

Access to Breast Cancer Diagnosis Act of 2021

This bill prohibits private health insurance plans from imposing higher cost-sharing requirements on breast cancer diagnostic examinations than initial breast cancer screening examinations. Diagnostic examinations are generally required after an initial screening detects an abnormality and typically require additional mammogram images (e.g., x-rays).

Actions Timeline

- **Apr 12, 2021:** Introduced in Senate
- **Apr 12, 2021:** Read twice and referred to the Committee on Health, Education, Labor, and Pensions.
