Summary (as of Feb 15, 2021)

Brownfields Broadband Deployment Act

This bill excludes certain communications facility deployment or modification projects from specified review requirements.

Specifically, the bill excludes from specified environmental and historic preservation review a project for the deployment or modification of a communications facility that is to be carried out entirely within a brownfield site (real property, the expansion, redevelopment, or reuse of which may be complicated by the presence or potential presence of a hazardous substance, pollutant, or contaminant).
