Facilitating the Deployment of Infrastructure with Greater Internet Transactions And Legacy Applications Act or the Facilitating DIGITAL Applications Act

This bill requires the National Telecommunications and Information Administration (NTIA) to submit a report every 60 days describing whether the Department of the Interior and the Department of Agriculture have established online portals for the acceptance, processing, and disposal of a Form 299, as well as any barriers to the establishment of such portals. Form 299 is the application form for the right to install, construct, modify, or maintain a communications facility on federal real property. Both departments shall notify the NTIA not later than three business days after establishing their online portals.
