## American Space Commerce Act of 2021

This bill allows a special allowance for bonus depreciation for qualified domestic space launch property and extends the termination of such allowance until the end of 2032. The bill defines *qualified domestic space launch property* as property placed in service before January 1, 2033, that is (1) a space transportation vehicle or payload that is launched from the United States, or (2) other property or equipment placed in service to facilitate a space launch from the United States.
