## Summary (as of Mar 1, 2021)

### Saudi Arabia Accountability for Gross Violations of Human Rights Act

This bill imposes visa-blocking sanctions on specified foreign persons determined to have played a role in the killing of Jamal Khashoggi, and it requires the Department of State to report on incidents of arbitrary detention, violence, and state-sanctioned harassment by Saudi Arabia against U.S. citizens and their family members. The bill also requires the State Department to make publicly available a report that describes whether and how a concurrence with Saudi Arabia for U.S. security assistance will avoid identifying the United States with governments that deny human rights and fundamental freedoms to their people.
