

HRES 1520

Expressing the sense of the House of Representatives that the United States should reengage with trading partners, particularly like-minded Allies with market-based economies and high labor and environmental standards, to promote trade in environmental goods, services, and technologies in new or existing bilateral and plurilateral dialogues with a view to negotiating a new environmental goods agreement with updated product coverage to broaden United States export opportunities, support United States jobs, and enhance the environmental contribution of any new trade agreement.

Summary (as of Dec 14, 2022)

This resolution expresses the sense of the House of Representatives that

- the Office of the U.S. Trade Representative should prepare a report related to U.S. exports of environmental goods,
- the United States should work with trading partners to facilitate trade in environmental goods to meet each country's environmental and climate goals, and
- the United States should launch negotiations to implement a new environmental goods agreement with updated product coverage.

Actions Timeline

- **Dec 14, 2022:** Introduced in House
- **Dec 14, 2022:** Referred to the House Committee on Ways and Means.
