

HRES 1520

Expressing the sense of the House of Representatives that the United States should reengage with trading partners, particularly like-minded Allies with market-based economies and high labor and environmental standards, to promote trade in environmental goods, services, and technologies in new or existing bilateral and plurilateral dialogues with a view to negotiating a new environmental goods agreement with updated product coverage to broaden United States export opportunities, support United States jobs, and enhance the environmental contribution of any new trade agreement.
