Bill	Relationship	Last Action
117 S 567	Identical bill	Mar 31, 2022: Committee on Banking, Housing, and Urban Affairs. Hearings held.

This bill provides for conservation or transfer of land in Nevada.

Specifically, the bill

- transfers approximately 41,055 acres of land to be held in trust for the Moapa Band of Paiutes of the Moapa River Indian Reservation;
- adjusts the boundary of the Red Rock National Conservation Area to include additional lands;
- adjusts the boundary of the Rainbow Gardens Area of Critical Environmental Concern to exclude certain land;
- conveys, upon request, certain federal land to a governmental entity in Clark County for any public purpose;
- revokes the Ivanpah Area of Critical Environmental Concern;
- establishes specified special management areas for conservation purposes;
- designates the peak of Frenchman Mountain as the Maude Frazier Mountain;
- makes certain funds available for capital improvements in the Tule Springs Fossil Bed National Monument and for implementation of sustainability and climate initiatives in Clark County;
- designates additional lands in Nevada as components of the National Wilderness Preservation System;
- requires land conveyances to local governments in Nevada for specified public purposes;
- makes certain funds available to the city of Mesquite for implementation of a watershed plan for the Lower Virgin River;
- expands, and expands eligible uses of, the limited transition area located in the city of Henderson;
- establishes off-highway vehicle recreation areas;
- conveys to a public water agency in Clark County, upon request, federal land for the construction and operation of critical water conveyance infrastructure for communities serviced by that agency; and
- requires completion of the construction of the six erosion control weirs on the lower Las Vegas Wash within the Lake Mead National Recreation Area.
