COVID-19 Cold Storage Expansion Act of 2021

This bill requires the Department of Health and Human Services to reimburse health care providers for costs to obtain and operate certain equipment capable of maintaining cold storage of COVID-19 (i.e., coronavirus disease 2019) vaccines.

To receive this reimbursement, health care providers must sign an agreement to participate in the Center for Disease Control and Prevention's COVID-19 Vaccination Program. The agreement sets out prioritization, reporting, and other requirements for the program.
