## **Save Social Security Act of 2021**

This bill modifies the requirements for Social Security payroll taxes and benefits to

- apply Social Security payroll taxes to annual income above \$400,000,
- include earnings above \$400,000 in the benefit formula, and
- increase to \$100,000 the income threshold above which a portion of a taxpayer's Social Security benefits is included in gross income.

(Under current law, Social Security payroll taxes apply to the first \$142,800 of income in 2021 and a portion of benefits is included in the gross income of individuals with certain income that exceeds specified thresholds, depending on the individual's filing status.)
