Summary (as of Jul 13, 2021)

Assisting Broadband Connectivity Act of 2021

This bill prohibits the Rural Utilities Service, in administering any broadband or telecommunications program, from determining that a project is ineligible for funding because the project has already received state funding. Further, an applicant for funding under such programs may use funds received from a state program to satisfy any matching requirement.

Actions Timeline

• **Jul 13, 2021:** Introduced in Senate

• **Jul 13, 2021:** Read twice and referred to the Committee on Agriculture, Nutrition, and Forestry.
