Summary (as of Jul 15, 2021)

Better Wound Care at Home Act

This bill modifies the Medicare payment methodology for disposable negative pressure wound therapy devices. In particular, the bill specifies that payment must be a national payment rate for the device itself and not for related professional services or visits, and must be made as an add-on payment for the device under the prospective payment system for home health services.

Actions Timeline

- **Jul 15, 2021:** Introduced in Senate
- **Jul 15, 2021:** Read twice and referred to the Committee on Finance.
