## **Medical Manufacturing, Economic Development, and Sustainability Act of 2021 or the MMEDS Act of 2021**

This bill provides incentives for relocating medical manufacturing facilities in the United States and for manufacturing medical products (i.e., drugs and devices) in economically distressed zones. Specifically, the bill allows a income tax credit for 40% of the sum of wages paid in a medical manufacturing economically distressed zone, employee fringe benefit expenses, and depreciation and amortization allowances with respect to qualified medical manufacturing facility property, and a credit for economically distressed zone products and services acquired by domestic medical manufacturers. The bill increases the credit rate for minority businesses.
