## Summary (as of Jan 11, 2021)

### Genetically Engineered Salmon Labeling Act

This bill requires the market name of genetically engineered (commonly called *genetically modified* or *GMO*) salmon to include *Genetically Engineered* or *GE* in front of the existing market name.

The bill also requires the Department of Health and Human Services to ensure that an independent scientific organization reviews the Food and Drug Administration's environmental assessment that supports the approval of a new drug related to AquAdvantage Salmon, a type of genetically engineered salmon.
