## **Treatment Restoration for Emergency Antibody Therapeutics Act or the TREAT Act**

This bill prohibits the Department of Health and Human Services (HHS) from implementing any policy that restricts health care facilities from ordering and receiving COVID-19 monoclonal antibody therapies directly from manufacturers and distributors. In addition, the bill expressly nullifies a policy announced on September 13, 2021, under which HHS allocated supplies of these therapies through state or territorial governments.

## **Actions Timeline**

---

- **Sep 28, 2021:** Introduced in Senate
- **Sep 28, 2021:** Read twice and referred to the Committee on Health, Education, Labor, and Pensions.
