Summary (as of Sep 30, 2021)

Emerging Technologies Professional Military Education Act of 2021

This bill requires the Department of Defense (DOD) to establish executive education activities on emerging technologies for appropriate general and flag officers and senior executive-level civilian leaders that are designed to prepare such persons on how the technologies may be applied to military and business activities in DOD.

Within five years, the executive education activities must be required training for general and flag officers and senior executive-level civilian leaders.
