## Summary (as of Oct 20, 2021)

### Protecting Americans from Dangerous Algorithms Act

This bill limits a social media company's immunity from liability if it promotes certain content on its platform.

Specifically, the bill removes this immunity from a social media company with more than 10 million monthly users if it utilizes an algorithm, model, or other computational process to amplify or recommend content to a user that is directly relevant to a claim involving (1) interference with civil rights, (2) neglect to prevent interference with civil rights, or (3) acts of international terrorism.
