Hydrogen for Industry Act of 2021

This bill requires the Department of Energy (DOE) to establish grant programs to support the use of hydrogen in energy. Specifically, DOE must establish a grant program for projects that demonstrate the uses of hydrogen in heavy industry (e.g., steel, cement, glass, and chemical manufacturing). It also directs DOE to establish a grant program for (1) carrying out projects that demonstrate the end uses of hydrogen; (2) constructing a new commercial-scale facility that will use hydrogen as a fuel or feedstock; or (3) retooling, retrofitting, or expanding an existing facility to enable the use of hydrogen as a fuel or feedstock in industrial end-use applications of hydrogen.

Actions Timeline

- **Dec 1, 2022:** Committee on Energy and Natural Resources. Hearings held. Hearings printed: S.Hrg. 117-523.
- **Dec 1, 2022:** Committee on Energy and Natural Resources. Hearings held.
- **Oct 28, 2021:** Introduced in Senate
- **Oct 28, 2021:** Read twice and referred to the Committee on Energy and Natural Resources.
