## Summary (as of Jan 11, 2021)

This resolution impeaches President Donald John Trump for high crimes and misdemeanors.

Specifically, the resolution sets forth two articles of impeachment.

The first article states that President Trump abused the powers of the presidency by attempting to unlawfully overturn the results of Georgia's presidential election. The article specifies that President Trump, on a recorded call, repeatedly asked the Secretary of State of Georgia to overturn the verified results of the election and threatened consequences for a failure to do so.

The second article states that President Trump abused the powers of the presidency by inciting violence and orchestrating an attempted coup. The article specifies that, on January 6, 2021, President Trump incited a crowd of supporters to attack the Capitol while Congress was in session to certify the results of the election. The article further specifies that, after those supporters had violently breached the Capitol, President Trump made a statement repeating his false claims of election fraud and expressing affection for the supporters.

Both articles state that, by such conduct, President Trump warrants impeachment and trial, removal from office, and disqualification from holding U.S. office.
