Summary (as of May 13, 2021)

This bill provides additional FY2021 funding for health care providers with high caseloads of Medicaid patients for COVID-19 expenses and lost revenue, including for capital expenses, medical equipment, staffing, and other operational costs. Providers must submit documentation justifying the need for funds, including qualifying expenses and lost revenue. Funds may not be used for expenses or losses that have already been reimbursed or that another source is obligated to reimburse.
