Maternal Vaccinations Act

This bill establishes a national campaign to raise awareness and increase rates of maternal vaccinations. The Centers for Disease Control and Prevention (CDC) must consult with various stakeholders to carry out this campaign.

In addition, the CDC must focus on increasing vaccination rates among communities with historically high rates of unvaccinated individuals. The CDC must also make publicly available any materials and resources developed for the campaign.

Actions Timeline

- **Feb 22, 2021:** Introduced in Senate
- **Feb 22, 2021:** Read twice and referred to the Committee on Health, Education, Labor, and Pensions.
