Summary (as of Mar 10, 2022)

Access to Prescription Digital Therapeutics Act of 2022

This bill provides for Medicare and Medicaid coverage of prescription digital therapeutics (i.e., software applications that are used to prevent, manage, or treat medical conditions). The Centers for Medicare & Medicaid Services must establish a Medicare payment methodology for payments to manufacturers that takes into account certain factors (e.g., ongoing use); manufacturers must report specified information about private payors, subject to civil penalties.
