## Cut Red Tape For Online Sales Act

This bill modifies requirements for third party settlement organizations to eliminate their reporting requirement with respect to the transactions of their participating payees unless they have earned \$5,000 or more. A *third party settlement organization* is the central organization that has the contractual obligation to make payments to participating payees (generally, a merchant or business) in a third party payment network.

The bill also requires entities that report income to to issue a plain-language description of the taxability of income reported on Form 1099-K.
