## **National Opportunity to Restore Uranium Supply Services In America Act of 2022 or the NO RUSSIA Act of 2022**

This bill provides statutory authority (and reallocates funding) for the Office of Nuclear Energy to establish a strategic reserve of uranium to ensure the availability of domestic supplies of uranium. The bill also requires the office to establish another program to support domestic production, conversion, and enrichment of uranium for nuclear reactors and eliminate reliance on Russian uranium.

The office may not source uranium for the reserve or the program from companies that are controlled by, owned by, or otherwise affiliated with China or Russia.
