## **Post-Fire Flooding and Debris Flow Act of 2022**

This bill makes changes to eligibility under the hazard mitigation grant program of the Federal Emergency Management Agency (FEMA) to include mitigating and preventing post-wildfire flooding and debris flow.

Specifically, the bill requires the federal share of hazard mitigation assistance for mitigating and preventing post-wildfire flooding and debris flow to be not less than 75% of the cost (currently, the President may contribute up to 75% of the cost).
