Summary (as of May 26, 2022)

Reclaiming the Solar Supply Chain Act of 2022

This bill requires the Department of Energy to establish a program that awards grants and direct loans to support a solar component manufacturing supply chain. Under the program, manufacturers and other eligible entities must use grants and loans for (1) constructing new facilities that manufacture solar components; and (2) retooling, retrofitting, or expanding existing facilities that manufacture solar components.

Actions Timeline

- **May 26, 2022:** Introduced in Senate
- **May 26, 2022:** Read twice and referred to the Committee on Energy and Natural Resources.
