Summary (as of Jun 16, 2022)

Good Jobs for Good Airports Act

This bill addresses pay, benefits, and labor standards for certain airport service workers. Airport service workers include security officers, food service workers, cleaning staff, ticketing agents, and retail service workers.

Specifically, the bill establishes a minimum wage and benefit standard for such airport service workers at large, medium, and small hub airports. It also prohibits small, medium, and large hub airports from accessing federal funds for airport development projects unless the airports certify that such airport service workers are paid no less than the higher of \$15 per hour, the applicable state or local minimum wage and fringe benefits, or the prevailing wage and fringe benefits required under the Service Contract Act as established by the Department of Labor.
