### Summary (as of Jan 20, 2022)

#### Trading Isn't a Game Act

This bill requires the Government Accountability Office (GAO) to study and report on the use of techniques including gamification (adding gamelike elements to encourage participation) and psychological nudges (behavioral interventions designed to influence decision-making) by online investment trading platforms. Further, the GAO must compare the investment activity, habits, and risk tolerance of customers exposed to such techniques and those who are not.
