No related bills are listed.

Summary (as of Sep 22, 2022)

Codification of Verified Values Act or the CVV Act

This bill requires a contributor to political organizations who uses a credit card to make online contributions to such organizations to disclose the credit verification value of such credit card at the time a contribution is made. A credit verification value is a series of numbers on a credit card (usually on the back of the card) that provides additional security for a transaction by credit card.

Actions Timeline

- **Sep 22, 2022:** Introduced in Senate
- **Sep 22, 2022:** Read twice and referred to the Committee on Finance.
