### Summary (as of Aug 6, 2021)

#### Stop COVID Bonuses for Elected Officials Act

This bill prohibits certain elected officials from receiving premium pay as eligible workers through the Coronavirus State Fiscal Recovery Fund.

*Eligible workers* means those workers needed to maintain continuity of operations of essential critical infrastructure sectors and additional sectors as each governor of a state or territory, or each tribal government, may designate as critical to protect the health and well-being of the residents of their state, territory, or tribal government.

The bill makes an exception for an elected official who performs other work during the COVID-19 public health emergency that is unrelated to the elected official's duties.
