Zero Tolerance for Deceptive Fentanyl Trafficking Act

This bill adds five fentanyl analogues and the entire category of fentanyl-related substances to schedule I of the Controlled Substances Act. A schedule I controlled substance is a drug, substance, or chemical that has a high potential for abuse; has no currently accepted medical value; and is subject to regulatory controls and administrative, civil, and criminal penalties under the Controlled Substances Act.

Additionally, the bill establishes a new criminal offense and penalties with respect to the deceptive sale of fentanyl, fentanyl analogues, or fentanyl-related substances.
