Fire Information and Reaction Enhancement Act or the FIRE Act

This bill directs the National Oceanic and Atmospheric Administration (NOAA), in collaboration with the U.S. weather industry and such academic entities as NOAA considers appropriate, to establish a program within NOAA to improve wildfire forecasting and detection.

The Office of Oceanic and Atmospheric Research of NOAA shall establish a program to create one or more weather research testbeds, in partnership with industry and academic partners, to develop improved detection of and forecast capabilities for wildfire events and their impacts.
