EMBRACE Stormwater Management Act or the Enhancing Military Base Resilience And Conserving Ecosystems through Stormwater Management Act

This bill authorizes the Department of Defense and each military department to implement stormwater management projects on or related to military installations.

Specifically, such projects are authorized for the purpose of (1) protecting nearby waterways and stormwater-stressed ecosystems, and (2) improving military installation resilience or the resilience of a defense access road or other essential civilian infrastructure supporting the installation.

Actions Timeline

- **Sep 14, 2021:** Introduced in House
