Summary (as of Dec 20, 2022)

Lost Opportunities to Supply Transplantable Organs Act of 2022 or the LOST Organs Act of 2022

This bill requires the Organ Procurement and Transplantation Network to take specified actions related to the transportation of organs, including tracking and publicly reporting the status of organs in the transplant supply chain. The Organ Procurement and Transplantation Network is a public-private partnership that links the professionals involved in the U.S. donation and transplantation system.
