Summary (as of Jan 28, 2021)

This bill expands the scope of entities that are authorized to access criminal identification records (e.g., fingerprints) from the Federal Bureau of Investigation (FBI).

Current law authorizes the FBI to exchange criminal identification and other records with authorized officials of the federal government, states tribes, cities, and penal and other institutions. The term *other institutions* includes railroad police departments and campus police departments.

This bill includes police departments of private resorts as *other institutions* that are authorized to access criminal identification records from the FBI.
