Summary (as of Nov 23, 2021)

This bill authorizes the Office of the National Cyber Director to accept officers or employees of the United States or members of the Armed Forces on a detail from an element of the intelligence community or from another element of the federal government on a nonreimbursable basis for up to three years.

The Office of the National Cyber Director is the principal advisor to the President on cybersecurity policy and strategy and, among other duties, leads the coordination and implementation of national cyber policy and strategy.
