Summary (as of Nov 30, 2021)

Expanding Access to Fertility Care for Servicemembers and Dependents Act

This bill entitles members of the armed forces and their dependents (including the reserve components) who are performing active service and are entitled to medical care under TRICARE to assisted reproductive technology services (e.g., in vitro fertilization). Such services must be provided, regardless of (1) whether the assisted reproductive technology service is related to the treatment of a service-connected disability; (2) whether the member has a serious illness or injury resulting from a service-connected disability; (3) the ability of the member or dependent to conceive a pregnancy or carry a pregnancy to term; or (4) the sex, gender, sexual orientation, or marital status of the member or dependent.
