### Summary (as of Nov 14, 2022)

This joint resolution nullifies the final rule submitted by the Department of Homeland Security titled [Public Charge Ground of Inadmissibility](#) and published on September 9, 2022.

The 2022 final rule nullified an August 14, 2019, final rule. The 2019 final rule made it more likely that a non-U.S. national (*alien* under federal law) would be denied admission or lawful permanent resident status because that individual is likely to become a public charge (i.e., receive certain public benefits). This joint resolution restores into effect the nullified 2019 final rule.
